Introductory Remarks

Claims 17 is the only claim currently pending in the application. In view of the following

remarks, Applicants respectfully request reconsideration and timely withdrawal of the pending

rejections for the reasons discussed below.

Obviousness Type Double Patenting

Claim 17 stands rejected under the judicially created doctrine of obviousness type double

patenting over claims 8 and 12 of U.S. Patent No. 6,869,455. The present application and U.S.

Patent No. 6,869,455 are currently commonly owned and were commonly owned at the time of

the present invention. A terminal disclaimer with respect to U.S. Patent No. 6,869,455

accompanies this reply. Applicant respectfully requests withdrawal of the obviousness type

double patenting rejection.

Extension of Time

A Petition for a three (3)-month extension of time under 37 C.F.R. §1.136(a) is filed

herewith. It is not believed that any further extensions of time are required other than those in

the accompanying Petition. If extensions of time are necessary to prevent abandonment of this

application, then such extensions of time are hereby petitioned for under 37 C.F.R. §1.136(a).

Any fees required for extensions of time and any fees for the net addition of claims are hereby

authorized to be charged to Deposit Account No. 503310.
